Application Manual
For Parents and Guarantors

Sophia University

【Introduction】

Those attending the graduation ceremony at Sophia University, including students, parents, and guarantors, are required to register in advance through the ticket application system.

On the day of the ceremony, please present the QR code from your My Page at the entrance. This operational manual provides application and method to modify registration information for parents, and guarantors. If you have any questions or concerns, please contact "[soumu kouenkai-co@sophia.ac.jp](mailto:soumu_kouenkai-co@sophia.ac.jp)" by email, including your name, student's name, faculty, and the email address used for registration. Additionally, please review the following important points before applying.

【Please note】

- A maximum of two guests will be allowed to apply per each student. Each person will need their own QR code. Please note that each person will need to register with a different email address, even if there are two people coming together to the event.
- Please note that in case more than three applications are confirmed with the same student, the organizer will cancel the application for the third person.
- If you register with the following mobile carrier email addresses, you may not receive the "Registration Completed" email immediately after registration. Please register with an email address other than the following if possible. (Even if you do not receive the email, you will still be able to enter with the QR code on your My Page.)
〇〇@docomo.ne.jp, 〇〇@au.com, 〇〇@ezweb.ne.jp
- If you wish to change the reserved seat block after applying, please cancel the reservation once and then register again as a new application.
- If you are unable to attend after obtaining the QR code, be sure to proceed with the cancellation process.
- Sophia University uses the event planner system from TKP Corporation for the entrance ticket application system for the degree conferral ceremony. Please be aware that the name "Event Planner" and the following logo will appear on the application screen and in the registration completion email.

- At the end of the manual, there is also an FAQ, so please check there as well.

In this application site, there are certain areas where it is impossible to display anything other than Japanese due to system limitations. Here is the English translation for those parts.
