※If you cannot come on the specified checkup date, you may come on another day and time of the same sex as yours.

※ The time frame is also applicable to transferred, Gakushi, and re-entry students who enrolled in 2025.

※ Health and Wellbeing Center provides individual checkups for students who have special health needs, such as physical disability, gender identity, etc. Please feel free to contact us in advance.

TEL(03-3238-3394) • Reception desk (Hoffmann Hall, 2nd floor) • E-mail (health_cs-co@sophia.ac.jp)

[2. Location] Bldg. No.2 4th floor Reception and Examinations other than chest X-ray.

↓
Bldg. No.12 1st floor (chest X-ray)

[3. Basic Checkup Items]

Urinalysis, height, weight, blood pressure, physical examination by internal medicine, chest X-ray

※New students in the Department of Nursing, [Grad] Nursing and Course of Midwifery will also undergo eye sight, hearing, and blood tests.

※An additional item (ECG) may be required depending on the results of the physical examination on the day.

※Urine sample kits will be placed at the entrance of Bldg.No.2 and Health and Wellbeing Center Health Services until the last day of the medical checkup.

※Please submit a urine sample even during menstruation. You can also submit one on another day during the medical checkup period.

[4. Things to Bring]

- ① **Student ID** (show at the reception)
- ② **Urine sample** (collect on the day of your checkup)
- ③ **A plain T-shirt** (For chest X-ray. We will not have T-shirts to lend)

[5. Notes for Chest X-ray]

◇Please come with clothes and shoes that you can easily change.

◇Please take off bras and accessories.

◇Please keep your baggage with you at all times to prevent theft (There will be no place to keep it at changing room).

[6. Retests]

For those who are required to take retesting, instruction will be given on the day of your medical checkup or via My Sophia (will be updated sequentially from the end of April). Please make sure to check it regularly and receive the retest. If you do not take it during the designated period, you have to visit an external medical institution at your own expense.

[7. Medical Checkup Certificate]

- ① The medical checkup certificate will include the values from the day of your medical checkup.
- ② The 2025 medical checkup certificate (kenko shindan shomeisho) can be issued from May 19th 2025 to Mar 31st 2026.
- ③ Contents of the certificate: Height, weight, urinalysis, blood pressure, chest X-ray, physical examination by internal medicine.
- ④ We cannot issue the certificate if there are items that have not been tested or retested, or if you have not completed consultation with a school doctor although you are required to have it.
- ⑤ We cannot issue the certificate in any formats requested by other institutions (neither Japanese nor English).

The types of certificates	Fees	Issuing Offices	
Japanese version	300 yen	Automated certificate issuing machine	Yotsuya Campus → in front of the central stairs on 4 th floor in Bldg.No.2. Mejiro Seibo Campus → in the office center on 1 st floor in Bldg.No.1.
		Health and Wellbeing Center	Hoffmann Hall 2F at Yotsuya Campus *There is a possibility that a certificate in English may not be issued on the same day.
English version	500yen		

[8. Notification of Results]

Your checkup results will be posted on My Sophia. We recommend making use of them to maintain your health.

[9. When You Miss Your Medical Checkup]

The School Health and Safety Act requires that students receive annual medical checkups from April to June.

If you miss your medical checkup during the specified period, please refer to the notice titled '2025 Medical Checkup for Students at Designated Medical Institution' on My Sophia or Web Piloti and take the checkup (The checkup fee is at your own expense). We cannot accept the result of the medical checkup from any medical institutions other than the one designated by the university.

※For those who were unable to take the checkup in April during their exchange program, or for those who take the checkup for the second time this year, please visit the Health and Wellbeing Center for information.
