

# Career Guidance in English

## Thinking About Working in Japan After Graduation?

Start planning your future today! Join our Career Guidance in English — designed especially for students who are considering building their careers in Japan. This session will help you understand the job-hunting process, what employers look for, and how to prepare for success after graduation.

You'll have the chance to **ask questions directly to the international staff at the Career Center**, who are here to support you every step of the way. Whether you're just starting to think about your future or already exploring job options, this is a great opportunity to get informed and inspired.

**All students are welcome** — no matter your major or if you are an undergraduate or graduate student.

Don't miss this chance to take the first step toward your career in Japan!
