	One Year	-	869,100	667,000	707,000	667,800

(\*1) Tuition fees and laboratory fees for the following year onwards are revised annually based on the rate of price increases.

(\*2) The insurance period of the Student Education and Research Accident Insurance is two years for master's program and three years for doctoral program. This insurance is applied as a compensation remedy in the event of physical injury caused by a sudden and accidental external accident that occurs during education and research activities, and all students are enrolled in this insurance at the time of matriculation. If a student remains at the University past the insurance period corresponding to the amount initially paid, a premium of 800 yen is charged for each year of enrolment. Please note that the amount may be subject to revision.

(\*3) Alumni association fee (¥ 40,000 lifetime membership fee for Sophia Alumni Association) must be paid in the final year. However, those who have graduated (completed) from Sophia University or Seibo University before are not required to do so.

(\*4) Tuition fees for 長期履修制度 shall be as follows.

-Tuition fees, educational enhancement fees and laboratory and research fees shall be two-thirds of the annual fees for the regular course (the same amount as for the regular course from the fourth year onwards). The insurance period of the Accident Insurance for Student Education and Research shall be three years (2,100 yen). Please note that the amount may be subject to revision.

-The following departments have introduced 長期履修制度.

Master's Course in Social Welfare, Master's Course in Life and Death Studies, Master's Course in International Cooperation Studies, Master's Course in Nursing, Master's Course in Global Environmental Studies.

(\*5) The table above assumes Spring Semester matriculation, so the 'Spring Semester' amounts in the table above apply to Autumn Semester tuition fees for students enrolled for the autumn semester.

(\*6) For those who enrolled in the Master's Degree in International Cooperation Studies before the 2024 academic year, training costs will be incurred separately for the compulsory elective overseas training courses.

**Adjusted amount of tuition and fees**
