(\*1) Tuition fees and laboratory fees for the following year onwards are revised annually based on the rate of price increases.

(\*2) The insurance period of the Student Education and Research Accident Insurance is four years. This insurance is applied as a compensation remedy in the event of physical injury caused by a sudden and accidental external accident that occurs during education and research activities, and all students are enrolled in this insurance at the time of matriculation. If a student remains at the University past the insurance period corresponding to the amount initially paid, a premium of 800 yen is charged for each year of enrolment. Please note that the amount may be subject to revision.

(\*3) Alumni association fee (¥ 40,000 lifetime membership fee for Sophia Alumni Association) must be paid in the final year. However, those who have graduated (completed) from Sophia University or Seibo University are not required to do so.

(\*4) The table above assumes Spring Semester matriculation, so the 'Spring Semester' amounts in the table above apply to Autumn Semester tuition fees for students enrolled for the autumn semester.

(\*5) The Orientation Day fee (JPY 24,000) is included in the admission semester of the first year in the FLA.

(\*6) For tuition fees at FLA, a flat-rate system will apply for students enrolled from 2020 onwards, while a pay-per-credit system will apply for students enrolled before 2019.
