

Dr. PEI Yuxin
Associate Professor
Department of Sociology & Social Work at Sun Yat-sen University, Guangzhou, China.

Academic Background:

PhD: University of Hong Kong
M.A.: Nanjing University
B.A.: Ocean University of China

Teaching Philosophy:

Dr. Pei creates an engaging and dynamic classroom environment where learning is both enjoyable and meaningful. Her teaching philosophy emphasizes student interaction and feedback, fostering a space where diverse perspectives are valued. She believes that education should empower students to critically reflect on societal issues and inspire them to become active participants in shaping their communities.

Areas of Expertise:

Dr. Pei's research interests span a broad spectrum, including:

Women's Studies and Lifestyle Research: Investigating the multifaceted experiences of women in contemporary society.

Disaster Social Work and Therapy: Focusing on effective support strategies during crises.

Sex Education and Marriage Counseling: Equipping students with essential insights into relationships and personal discovery.

Women's Economic and Intellectual Development: Promoting gender equality and empowering future leaders.

Global Experience:

With extensive teaching experience in the U.S., Europe, and Japan, combined with her role as a Fulbright Scholar at the University of Southern California, Dr. Pei brings a rich international perspective to her classes. Her global exposure enriches students' understanding of cultural dynamics and social structures.

Engaging Teaching Style:

In addition to her academic pursuits, Dr. Pei has a vibrant history as a journalist and columnist, allowing her to draw on real-life stories and current events to make complex subjects relatable. Her classes are characterized by lively discussions that challenge students to think critically about pressing social issues.
