1. Overview of Sophia Edagawa Men's Dormitory

(1) Purpose of Sophia Edagawa Men's Dormitory

Edagawa Dormitory was opened in April 2005 as a new men's dormitory following the closure of the Sophia House Men's Dormitory on Yotsuya Campus. Each room is a studio-type unit equipped with a bath and kitchen, providing a private space and an environment suitable for concentrated study. At the same time, various activities are organized to promote interaction among residents, led by Living Group Leaders (LGL).

Edagawa Dormitory accommodates both Japanese and international students, and the principles fostered in the former Sophia House Men's Dormitory — a place to practice of Catholic education, a site for international cultural exchange, and a home that encourages the growth of independent persons — continue to thrive naturally here.

4. Extension, Renewal, and Leaving procedures

(1) Procedures for Extension and Renewal

Two months prior to the end of the expiration date of your dormitory residence permit, a notice on how to extend/renew your stay or leave the dormitory will be posted on the student portal system “My Sophia”. No matter whether you wish to extend or renew your stay, or leave the dormitory by the residence period, you are required to complete the necessary procedures (online application) by the due date. Applications submitted after the deadline will not be accepted.

- Extension
 - Available for exchange students
 - Procedures for extension of stay will be posted in May to those whose dormitory residence period ends on July 31, and in November to those whose dormitory residence period ends on January 31 of the following year.
 - Students may apply for an extension of up to one month. If an extension is granted, dormitory fees and rental bedding fee (if applicable) for the granted period will be charged.

- Renewal
 - Available for degree students, non-degree students, foreign special research students, and research students who will be enrolled at Sophia University for the following semester.
 - Procedures for renewal will be announced in May to those whose dormitory residence period ends on September 10, and in November to those whose dormitory residence period ends on March 20 of the following year.
 - The period of residence is one years in the principle but may be renewed with special permission from the Director of the Center for Student Affairs.
 - Based on application, renewal is possible for up to one year. Note that selection will be conducted and not all applicants will be granted renewal permission.
 - Students who are scheduled to graduate or complete their programs in the current semester are not allowed to renew their residence permit and must leave the dormitory by the end date of the permit (September 10 for spring semester, March 20 for autumn semester).

(2) Leaving Procedures

- Submit “Notice of Leaving” (designated form) to the dormitory office no later than one month prior to the date of leaving. Make sure to read the “Procedure of Leaving” provided by the office carefully.
- When submitting the Notice of Leaving, you will be asked to set up room check (RC) date and time. In general, the 1st RC will be one or two days after submitting the Notice of Leaving, and the 2nd RC will be conducted on the day of leaving or on the weekday right before the leaving day. Residents should be present in person during the RC. Please make sure to allow sufficient time for the check-out procedures on your departure day.
- Payment of last month’s dormitory fee should be made at convenience store only. Please pay the final bill before the 2nd RC and submit the payment receipt to the dormitory office. Failure to confirm submission may cause delay to your move-out. The final billing postcard will be delivered to your mailbox approximately a week before your leaving date.
- During the RC, if there is a stain that requires special cleaning, damage that requires wallpaper or floor repair, etc. or loss of equipment, the cost of restoring the room to its

original condition will be charged.

- Please dispose of your personal belongings by yourself. If personal belongings are left in your room, on the balcony, in the community room, at the bicycle parking area, and other areas, you will be charged a disposal fee.
- Please be sure to cancel your landline, newspapers, and other contracts.

Caution 1 The date of leaving will be one month from the date of submitting the Notice of Leaving. For example, if you wish to move out from the dormitory on July 31, you must submit your Notice of Leaving by June 30 at the latest; if you submit it on July 1, your final date of leaving will be August 1, and as a result, you will be charged the August dormitory fee (23,000 yen).
