上智大学後援会の入会案内をご覧ください、誠にありがとうございます。

本会は現役学生の父母・保証人により構成され、1973年の設立以来、大学の教育事業と学生一人ひとりの学びを支援してまいりました。設立のきっかけは当時、イエズス会所属の先生方が大学に多額の寄付をされていることを知った父母・保証人がその志に心を動かされ、自らも大学の発展に貢献したいと願ったことにあります。この想いは今も本会活動の原点です。

2026年度も学生に直接届く支援を大切にしながら健康的な生活を支える「100円朝食」や24時間体制の「電話健康相談サービス」への費用補助、交換留学・海外短期プログラム・インターンシッププログラム等に関する派遣留学生奨学金、さらに本会独自の奨学金給付などを行ってまいりました。今後も学生の生活・学び・挑戦の面から、父母・保証人目線でのきめ細かな支援を実施してまいります。

また、会員相互の親睦も本会の重要な活動の柱です。春・秋の懇親会では教員による講演や理事長、学長をはじめとする大学の先生方および父母・保証人同士の懇談の機会を設けており、大学をより身近に感じ、学年や学部を超えて情報交換ができる貴重な場となっています。

本会の活動は会員の皆様の会費とご参加により支えられています。すべての学生が上智大学でのかけがえのない日々をより充実したものにできるよう、ぜひ一緒に大学・学生に寄り添い、父母・保証人だからこそできる温かな支援の輪を広げていきましょう！皆様のご入会を心よりお待ちしております。

Thank you very much for your interest in the Sophia University Parents' Association (SUPA).

Our association is composed of parents and guarantors of current Sophia University students. Since its establishment in 1973, we have supported the university's educational initiatives and the learning of each individual student. SUPA was founded when parents and guarantors learned that Jesuit faculty members were making substantial personal donations to the university. Inspired by their dedication, they wished to contribute to the university's development as well. This spirit remains at the heart of our association's activities to this day.

In the 2026 academic year, we continued to focus on support that directly benefits students while also supporting their healthy lifestyles. Some examples are the "100-Yen Breakfast" program and the 24-hour "Telephone Health Consultation Service." We also provided scholarships for students participating in exchange programs, short-term overseas programs, and internship programs, in addition to our association's own scholarship grants. Moving forward, we will continue to provide meticulous support from the perspective of parents and guarantors, addressing students' daily lives, academic pursuits, and personal challenges.

Furthermore, fostering fellowship among members is a key pillar of our activities. At our spring and fall social gatherings, we arrange lectures by faculty members and provide opportunities for informal discussions with university officials—including the Chancellor, President and other faculty members, as well as among parents and guarantors themselves. These events serve as valuable opportunities to feel a closer connection to the university and exchange information across academic years and faculties.

Our association's activities are made possible by our members' dues and active participation. To help all students make the most of their invaluable days at Sophia University, we warmly invite you to join us in supporting the university and its students, and in expanding the circle of warm support that only parents and guarantors can provide! We sincerely look forward to welcoming you as members.

上智大学後援会について

About Sophia University Parents' Association (SUPA)

上智大学後援会は、1973年に父母・保証人有志によって設立された任意団体です。当時、大学が海外からの寄付に頼って施設を整備していたことや、イエズス会所属の先生方が給与から生活費を除いた分を大学に寄付していた様子に当時の父母・保証人が感銘を受け、設立したのが始まりです。以来、今日に至るまで、会員の皆様からいただいた会費は、大学の教育研究環境の改善のため、様々な用途に使用されてきました。後援会への入会は任意のため、決して潤沢な資金とはいえませんが、会員の皆様の大学への想いがひとつになり、大きな支えとなっています。

SUPA is a voluntary organization established in 1973 by a group of parents and guarantors. These parents and guarantors were inspired by the fact that, at the time, the university relied on donations from overseas to develop its facilities, as well as by the example set by Jesuit faculty members, who donated to the university the portion of their salaries remaining after their living expenses had been covered. Since then, membership dues received from our members have been used for various purposes to improve the university's educational and research environment. As membership in the Parents' Association is voluntary, our financial resources are by no means abundant; however, our members' shared appreciation for the university provides us with a great source of support.

懇親会での様子 / At the social gathering

ご入学おめでとうございます。ご父母・保証人の皆様に心よりお祝い申し上げます。後援会は大学の教育事業を支援し、大学や先生方と保護者同士の架け橋として学生生活を親目線で支えています。

初めての懇親会、保護者のみと思いきや、幾つもの談笑の輪の中心には学長！教授！先生方の気さくさと数の多さに驚き、戸惑う私を役員の方が笑顔で輪の一員に…。

「ようこそ、この雰囲気こそ後援会の真骨頂。大学と信頼で結ばれた連帯感、両輪の恩恵を受け、新しい仲間もできました。上智のため子供のため、学部・学年を超えて知恵を凝らした「保護者の推し活」。この感謝のリレーは必ずや子供の輝く未来に繋がります。皆様のご入会をお待ちしております。

Congratulations on your admission. I would also like to extend my heartfelt congratulations to all parents and guarantors. SUPA supports the university's educational initiatives, serves as a bridge between the university, faculty, and parents, and supports students' campus life from a parent's perspective.

When I attended my first social gathering, I had assumed it would be an event for parents only. To my surprise, the University President and many professors were standing at the center of several lively circles of conversation. Feeling slightly overwhelmed by how approachable they were—and by the number of faculty members present—I was warmly welcomed into one of the groups by a smiling member of the Executive Committee.

That spirit of "Welcome" captures the very essence of SUPA. Through SUPA, I have felt a strong sense of solidarity rooted in mutual trust with the university, experienced the benefits of the university and parents working together in partnership, and even made new friends. For the benefit of Sophia University and our children, we serve as "Parents' Oshikatsu (parents passionately supporting their children)," bringing together the knowledge and perspectives of parents across different faculties and year groups. This continuing relay of gratitude and support will surely help create a brighter future for our children. We sincerely look forward to welcoming you as members of SUPA.

私は体育会アイスホッケー部で活動しています。練習は夜から始まり、終わるのは深夜になることも少なくありません。翌日に1限の授業がある日は、朝食を準備する時間を確保するのも大変ですが、そんな時に支えになっているのが後援会のご支援による「100円朝食」です。

100円で栄養のある朝食をとることができるため、限られた時間を勉強や部活動に充てることができます。特に試験期間中は、朝早く大学に来て100円朝食を食べ、そのまま図書館で勉強することも多くあります。

上智で文武両道を目指し、学業と部活動の両方に全力で取り組んでいるのは、このような支援があつてこそです。私たち学生を支えてくださる後援会の皆さまに、心より感謝申し上げます。

I am a member of the university's ice hockey club. Practice often begins in the evening and frequently continues until late at night. On days when I have a first-period class the following morning, it can be difficult to find time to prepare breakfast. At such times, the "100-Yen Breakfast," made possible through the support of the Parents' Association, is a lifeline for me.

Because I can enjoy a nutritious breakfast for just 100 yen, I can devote my limited time to my studies and club activities. Especially during examination periods, I often arrive at the university early in the morning, have the 100-Yen Breakfast, and then go straight to the library to study.

It is thanks to this kind of support that I am able to pursue both academics and athletics at Sophia University and give my full effort to both my studies and club activities. I would like to express my heartfelt gratitude to all the members of the Parents' Association who support us.
