

COIL in Mobility Programs

Faculty of Science and Technology (Sophia) with University of California, Davis / University of North Carolina at Charlotte

【COIL implementation】 Pre-lecture, Student Exchange

The faculty from the university give a pre-lecture to Sophia students or the faculty coordinates the student exchange (writing letters to each other, online groupwork) so Sophia students could build good relationship with students in the U.S. in advance, which enables them to communicate effectively once they meet in person.

Short-term Language Intensive Program at University of California, Davis

【COIL implementation】 Pre-lecture

The faculty from the university give a pre-lecture to Sophia students on the purpose of studying abroad at a world-class university and how to make the most of the time there (also outside of the classes) so students could motivate themselves and get well-prepared before departure.
