§1 INTRODUCTION

The Educational Ideals of Sophia University

Based on Christian principles of education, Sophia University attests to the four-hundred-year-old interest of the Jesuit Order in Japan. Its aim is to prepare men and women coming from different countries to recognize in the different cultural traditions of the world the fundamental unity of the human race and to work for the concrete achievement of that unity. The roots of the university go back to 1549, when St. Francis Xavier, a Jesuit, landed in Kagoshima with the hope of starting a Catholic university which would introduce Western culture to Japan. In 1908, nearly 360 years later, three members of the Society of Jesus—the German Father Joseph Dahlmann, the French Father Henri Boucher, and the English Father James Rockliff—came to Japan with the mission of fulfilling St. Francis Xavier’s aspiration. As a result of their efforts, Sophia University was established in 1913, when the Japanese Ministry of Education gave the Jesuits permission to found a new educational institution under the Japanese name of Jōchi Gakuin. Sixteen students enrolled in the first class. From this modest beginning Sophia University has grown to be one of the foremost of Japan’s private universities, with a student body of over 12,000 undergraduate and graduate students and a teaching staff of more than one thousand. In the tradition of the international character of Sophia’s founders, the faculty members represent twenty different nationalities; they are committed to conveying to the next generation through their scholarship and teaching both humankind’s cultural and intellectual heritage and a concern for the problems facing the world today.

The Faculty of Liberal Arts

The Faculty of Liberal Arts continues in a new form the educational approach and goals established by its predecessor, the Faculty of Comparative Culture, which consisted of two departments, the Department of Comparative Culture and the Department of Japanese Language & Studies.

The mission of the Faculty of Liberal Arts (FLA) and its Department of Liberal Arts (DLA) is to prepare students of diverse backgrounds to take the lead in bridging differences and promoting understanding in the complex world of the twenty-first century. Through its broad interdisciplinary curriculum, centered on courses in the humanities, economics and business, and the social sciences, the faculty seeks to enlarge students’ general knowledge, to help them to develop critical thinking, and to nurture a broad, humanistic vision. All courses are conducted in English, and Core courses in English composition and public speaking equip students of different linguistic backgrounds to perform at a high academic level. Students are also strongly encouraged to study Japanese. The Sophia University Center for Language Education and Research (CLER) offers a variety of Japanese-language courses, from Basic levels through to advanced courses, adapted to the needs of FLA students who enter with various levels of Japanese ability. Courses on Japan distributed throughout the curriculum enable students to understand both present-day Japan and its traditions in a global context.

Graduates of the faculty will receive a Bachelor of Arts degree, 学士(国際教養), accredited by the Ministry of Education, Culture, Sports, Science and Technology (MEXT).

SECTION A: REGULATIONS AND PROCEDURES

§ a100 GENERAL INFORMATION FOR FLA STUDENTS

§ a110 The Academic Year

The Faculty of Liberal Arts follows the same calendar as the other faculties of the university. There are two semesters, beginning in April and September. Each semester consists of 15 weeks of classes, followed by a final examination week. To ensure that each course is held a sufficient number of hours to fulfill the regulations set by the MEXT, make-up class days to offset holidays may be scheduled during each term. For the Academic Year 2016, the following “virtual days” have been scheduled:

Virtual Wednesday: January 6 (Fri), 2017

Virtual Monday: January 12 (Thu), 2017

§ a120 Categories of Students

§ a121 Degree Students

Degree students are those who intend to graduate from Sophia. Degree students are admitted in both spring and autumn semesters.

§ a122 Non-Degree Students

Non-degree students are those who enroll for one year to take courses and obtain credits but do not intend to earn an academic degree from Sophia. This status is applicable only to international students who enroll as full-time students. Non-degree students are admitted in both spring and autumn semesters.

Requirements for Maintaining Non-Degree Status

A non-degree student must register for the equivalent of at least 10 hours of instruction per week. If the student does not register for a sufficient number of courses or fails to meet the deadline for the payment of tuition and fees, he/she will lose student status at the university.

Change of Student Status

It is impossible for a non-degree student to change his/her status to that of a degree student without reapplying for admission as a degree student.

§ a123 Non-Matriculated Students (科目等履修生自由履修コース)

Non-matriculated students are persons of any nationality who wish to take one or more courses of their choice, up to 30 credits in one year, but do not intend to earn a degree from Sophia. In order to be eligible for this status, the student must hold a valid visa for Japan.

§ a130 Loyola web-service

The Loyola web-service was created in 2007. It is the Official academic web portal of Sophia University. The Loyola web-service (Loyola) brings together on one website important information and services related to academic matters.

Using the Loyola web-service students will be able to:

- Search course schedule and classrooms
- Register and withdraw from courses
- Check their registration status and grades
- Check information concerning cancelled classes, make-up classes, or notices on the Loyola web bulletin board through PCs and mobile phones
- Update the registered data if there are any changes in the student's or guarantor's address
- Check and submit report assignments

Please refer to the "Loyola Handbook" (available online via Loyola) for detailed explanations on how to use Loyola.

§ a140 Textbooks

The textbooks necessary for classes and reference books will be listed on Loyola under "Curriculum Course Registration Info→Syllabus Inquiry". If you are not required to have them prepared before classes start, follow the instructions of the teacher of the first day of class.

At the beginning of the semester, the textbooks and reference book order are available through the Kinokuniya website. For details, please see the Loyola Bulletin Board(Academic Services).

§ a150 Absence from class

Sophia university does not have a system for authorized absence from class or making notice of pre-approved absence. The Center for Academic Affairs cannot relay your message of absence. If you were absent from class due to unavoidable reasons such as bereavement, delay in public transport service, illness, extracurricular activities, or job searching, you need to see your class teacher in person and explain the situation. And also refer to § a560. However, if you are absent during the Final Exams period, you may be allowed to take a make-up exam (§ a450).

If you need to be absent for a long period of time due to illness or injury, consult the Department Chairperson or your area coordinator.

§ a200 REQUIREMENTS FOR A DEGREE

§ a210 Credit Requirements

The Bachelor of Arts degree is awarded to students who successfully complete the required number of credits according to the distribution specified in the Bulletin of Information for the year in which they were admitted.

A study of 45 hours is required to earn one credit (based on government requirements of Standards for Establishment of Universities and Article 22 of Sophia University Regulations).

§ a220 Residence Requirements

Residence requirements refer to the amount of time a student must be enrolled in the university. With the exception of students who qualify for early graduation, a student must be enrolled for a total of four years (eight semesters) in order to graduate. The time spent on leave of absence or suspension from the university will not be counted as part of the residence requirement.

A student's total period of residence at the university may not exceed eight years, excluding the period of time spent on leave of absence from the university.

§ a230 Area and Major

§ a231 Deciding One's Area

Students accepted into the Faculty of Liberal Arts as freshmen will choose, at the end of the first semester of their sophomore year, a major within one of three areas (Comparative Culture, International Business and Economics, or Social Studies). In the case of Comparative Culture and Social Studies, students must also select a primary and secondary field within the area. Students are also urged at this time to decide which language is to be counted for the general language requirement.

During the first semester of the second year, students will be notified about the procedures for making the choices mentioned above. Guidance for choosing a major (Sophomore Guidance) will be held every semester. For dates, see the Calendar for the academic year 2016. Students admitted to the FLA as transfer students at the junior level must indicate their intended major, fields, and language at the time of entry.

Note: The Chair of the Department of Liberal Arts is responsible for matters concerning freshmen and first-term sophomores. The Area Coordinators oversee matters concerning students who have declared an area and major.

§ a232 Change of Major

In order to change majors, students must first consult their Area Coordinator of the major they want to transfer to.

§ a240 Certificates in Japanese Studies and Japanese Language Pedagogy

In addition to their major, FLA students who entered before 2015 may also obtain a certificate in Japanese Studies (日本研究履修証明) or a Certificate in Japanese Language Pedagogy (日本語教授法履修証明). For specifics, see § c200.

§ a250 Preparation for Graduation

It is the student's responsibility to make sure that he/she has fulfilled all the requirements for graduation. To check their progress toward meeting graduation requirements, FLA students should regularly use the Loyola online self-evaluation function. Any problems arising from the self-evaluation must be resolved with the Center for Academic Affairs before registration in a student's last semester. Refer to the online handbook for the self-evaluation function for details.

§ a260 Early Graduation

To qualify for early graduation, a student must complete at least three years (six semesters) of study, complete all credits required for graduation, and have a cumulative GPA of 3.50 or above. The FLA faculty will review applications for early graduation and decide which will be forwarded to the President of the university for approval.

Application procedure:

1. If a student wants to graduate after completing six semesters of study, he/she should submit an application form to the FLA office by the end of the fifth semester.
2. If a student wants to graduate after completing seven semesters, he/she should submit an application form to the FLA office by the end of the sixth semester.
3. The applicant must be able to complete the remaining credits required for graduation within the term following application for early graduation. Please note that the remaining maximum number of credits for which an upper-class student may register is 24 credits per semester. Thus students who wish to apply for early graduation at the end of the autumn semester must have no more than 24 credits remaining. For those who want to apply for early graduation at the end of the spring semester, the maximum number of outstanding credits permitted is 30 (24 for spring semester and 6 for the Summer Session).
4. The student must already have a GPA of 3.50 at the time of application.
5. Transfer students are not eligible for early graduation.
6. If a student wants to withdraw the request, he/she must notify the Chair of the FLA during the withdrawal period.

§ a270 Transfer of Credits and Residency

Students who have studied at other universities before entering Sophia University may be eligible to transfer credits and residency time. There are two categories for transferring credits and residency.

§ a271 Transfer of credits earned before entering as a freshman:

Up to 30 credits may be transferred. Students using this system may transfer credits, but not residency. However, students who meet all of the other qualifications may apply for early graduation (see § a260).

§ a272 Transfer of credits and residency for students admitted as transfer students:

The number of credits to be transferred may not exceed half of the required number of credits for graduation. Decisions about the transfer of credits will be made after consultation with the student's Area Coordinator. As a general rule, a transfer student must have completed at least two years of university/college work as a regular student at another institution before entering Sophia. A transfer student may transfer a two-year period of time in residence at his/her previous university/college. Acceptance as a third year student does not necessarily mean that you will automatically graduate in two years.

§ a273 Application for transfer of credits:

Students should apply for transfer of credits within three months of entering Sophia University. For that application, you need to bring the following documents from your previous university:

- (1) official transcript (in English)
- (2) grading system explanation
- (3) academic calendar
- (4) syllabus of each course, containing brief course description and course schedule

For (3) and (4), the description must be for the year that you registered for the courses.

The following material is available at the FLA office in Bldg. No. 10:

FLA Academic Record Sheet (for keeping track of credit requirements).

§ a312 Individual Advising

Individual advising will be offered by the FLA at the beginning of each semester. All students are urged to see an advisor. Freshmen and first-term sophomores should consult the Freshman Advisor assigned to them when they entered the university. Students who have declared their major should consult the Area Coordinator. The dates for the advising sessions will be posted on the Loyola bulletin board.

When consulting their advisor or Area Coordinator about their individual programs, students should bring their transcript and academic record sheet.

§ a313 Limit on Number of Credits per Semester

Freshmen may register for a maximum of 20 credits per semester. Sophomores and above may register for a maximum of 24 credits per semester. These upper limits include courses taken in other faculties and programs. Registration for more than 24 credits (or 20 credits in the case of freshmen) is generally not allowed, but junior and senior students seeking certification as junior high school or high school teachers or as curators may register for additional credits as required for certification. They should consult the Center for Teaching and Curator Credentials. If students want to register for additional credits for other reasons, they should consult the FLA office.

§ a314 Course Conflict

A student may not register for two courses scheduled for the same day and hour. Students may not attend courses for which they have not officially registered.

§ a320 Course Registration Period

Students may register for FLA courses and courses offered by other faculties and programs during the course registration period online (Loyola). During the course registration period, adjustment (add/delete) can be made any number of times except for lottery courses.

§ a321 Course Registration Online (URL : <https://scs.cl.sophia.ac.jp/campusweb/>)

【Note】

- Unless an exception is specified, you cannot register for the same course you have already received credits for. Same courses are, generally, courses that have the same course code. If you need to register for a course which has the same code, please inquire at the Center for Academic Affairs.
- For courses offered by other faculties and programs, refer to the 2016 Academic Handbook (2016 年度履修要覧).
- For online course registration, you must complete registration by the closing time on the last day of the Course Registration Period. Registration is finalized only when you click the "complete registration" (登録完了) button on the Course Registration screen. Note carefully that your registration will not be finalized unless you click on the button (登録完了) before the closing time. The lottery is conducted by computer and only selected students in the lottery are registered for the course. Students should be careful when they register for these courses since these courses cannot be deleted until the cancellation period.

§ a340 FLA Core Courses

Students who are scheduled to take FLA Core courses are assigned to class sections at the beginning of each semester. These assignments cannot be changed; students must register for the sections to which they have been assigned.

- Japanese language courses.
- Language courses for FLA students (conducted in English).
- Language courses (conducted in Japanese).

§ a353 Other Faculties' Specialized Education Courses

If a student takes these courses as Specialized Education elective courses, up to 16 credits can be included. Check the course syllabus to see whether those courses are open to FLA students.

§ a360 Results of Course Registration

Results of course registration will be available via Loyola. Please make sure to confirm the results and to prepare for course adjustment, if necessary.

§ a361 Self-Evaluation and Category Changes on Loyola

Students must check their own accumulated credits and adjust the category of courses via Loyola. Seniors should confirm that their self-evaluation is accurate, especially taking care that the category into which each course is placed will enable them to fulfill the requirements for graduation.

■ “Self-Evaluation” Function:

This function enables students to check the courses completed and the credits earned for each category of graduation requirement. Students can use it to calculate the number of credits still required for graduation based on the sum total of credits for current courses and the credits earned so far.

■ Self-Evaluation function available period

The Self Evaluation function on Loyola is available for a designated period only. For the schedule of available periods during the 2016 Academic Year, check the Loyola Bulletin Board (Academic Services).

■ “Change of category” function

It allows students to change the category of courses to meet their graduation requirements.

In recent years, there have been cases of students who do not realize until just before they expect to graduate that they are not eligible to graduate due to errors in calculating the credits required and credits taken.

To avoid such misunderstanding, students should use the self Evaluation and Change of Category functions, as well as the Bulletin of Information, as the students themselves are responsible for keeping track of their credits.

§ a362 Course Adjustment

Students can change or add courses (except lottery courses) any number of times during this period. As this is the final chance to register for courses, be careful.

§ a363 Final Confirmation of Course Registration

Final confirmation of course registration will be available online. Please make sure you check the registration on Loyola carefully. It is the student’s responsibility to confirm that his/her registration is correct.

§ a364 Cancellation Period

If there are any errors in a student's course registration, he/she should apply for cancellation of course(s) before the end of the cancellation period. Students are allowed to cancel with approval from the Chair. Note that only cancellations are allowed. **Under no circumstances may courses be added at this stage.**

§ a365 Withdrawal from Courses

If a student decides after the cancellation period not to finish a course for which he/she has registered, the student should apply to withdraw from the course online (through Loyola). A "W" means that the student has asked for and obtained permission to withdraw from a course. This mark will remain permanently on the student's record, but will not appear on the official transcript. Please note that students will be responsible for full payment of the tuition charged for such courses. If a student discontinues attending a course and does not complete withdrawal online during the withdrawal period, he/she will receive an "F" for the course. The grade of "W" will not be calculated into the student's GPA, but an "F" will remain on the record. Students may not withdraw from compulsory courses in Health and Physical Education and Information Literacy (if taken as a GS compulsory course), from compulsory courses in the English Skills/FLA Core Program, and from language courses. For regulations on withdrawal from language courses, see the 'LANGUAGES' section of the FLA curriculum.

§ a400 EXAMINATIONS

§ a410 Types of Examination

Examinations are held during or at the end of term in spring and autumn semesters, and are categorized in the following types:

Type of exam	Exam period / deadline of submission	Announcements of exam schedule, etc.	Make-up exam	Notes
In-class Examinations	Any time during class sessions (usually on the last day of class)	Given in class by the class teacher	Not applicable	Foreign language courses usually have in-class exams
Final Examinations (written tests)	During Final Exam period	Announced on Loyola by Center for Academic Affairs	Applicable	
Final Papers	Report examinations / To be submitted by the deadline set at end of the term		—	General information is announced on Loyola Bulletin Board; note that the class teacher may give additional instructions in class.

§ a420 Final Examination Schedule

The final examination schedule will be announced on the Loyola Bulletin Board each semester two weeks before the first day of final examinations. Students are responsible for noting accurately the dates, the times, and the classrooms of the examinations for the courses in which they are enrolled. Basically, final exams in the Faculty of Liberal Arts are 90 minutes in length.

§ a430 Examination Policy

Note the following policies concerning examinations:

1. The student must take the examination in the prescribed classroom.
2. The student's ID card must be placed on the desk during the examination.
3. If a student forgets his/her ID, he/she must obtain a Temporary ID Card (Fees : 500 yen) from the automatic certificate issuing machine on the 4th floor in Building 2. Valid only for the day of issuance.
4. Students who come to the classroom more than 20 minutes after the beginning of the examination will not be allowed to enter under any circumstances. Also, no student may leave the classroom until 30 minutes after the beginning of the examination.
5. No student may leave the classroom unless he/she has submitted his/her answer sheet.
6. Mobile phones and wearable devices must be turned off and kept in the student's bag. They are not to be used for any reason during the exam.

7. As a rule, students are given only one answer sheet. If a student needs another answer sheet, he/she must return the first answer sheet.
8. If a student wishes to use an underlay pad for writing, it must be completely white or almost so. Using a notebook or other book as an underlay is not permitted.
9. A student's answers will become invalid under the following circumstances:
 - a. When there is no name or no ID number written on the answer sheet.
 - b. When any paper is submitted to the proctor other than the answer sheet handed out.
10. A student may be ordered to leave the classroom and have his/her answers invalidated under the following circumstances:
 - a. When a student continues to talk unnecessarily or exhibits improper behavior even after being warned.
 - b. When a student does not immediately follow the proctor's instructions.

§ a440 Academic Dishonesty

It is expected that all students will follow the highest standards of academic honesty.

§ a441 Cheating

If a student is found cheating in an exam or violating an exam policy/rule, the University will impose severe punishment. Honest performance is also expected at in-class exams held during class sessions. The following are some actions that would be considered as cheating:

- Using materials that are not permitted
- Exchanging answer sheets with other students
- Bringing in answer sheets written prior to the exam
- Taking the exam for another student or having another student take the exam for you
- Using mobile phones, the wearables or other communication devices. (You may not use them even as a watch to check the time.)
- Other actions that violate the rules for administering exams

The consequences of cheating are as follows.

- The student will be suspended or dismissed from the university, depending on the seriousness of the offense.
- The grade "F" will be entered on the student's record for the course.
- The student's grades for all other courses that have final written examinations during the final exam period will also become "F".
- Notice will be posted on the Campus bulletin board regarding the student who was found cheating.
- The suspended period will not be counted in the residence requirement and graduation will be delayed.
- Any scholarship the student is receiving from the university will also be canceled.
- The student's qualification for study-abroad, overseas short-term language/ Study Abroad program, and nominations to university-organized programs may be canceled.

§ a442 Plagiarism

Plagiarism is defined as the use of the words or ideas of others, whether unintentional or deliberate, without proper acknowledgment. FLA instructors provide clear explanations about plagiarism in their course syllabi. Students are expected to read carefully each instructor's policy regarding plagiarism. Students must be aware that sanctions for plagiarism may vary depending on the discipline or the level of the course. Students have access to the syllabus of a course on the Loyola web-service. Furthermore, a copy of the syllabus is distributed to students during the first class at the beginning of the semester. If you plagiarize, you will be punished according to what is explained in the syllabus. When students are unsure whether or not a particular behavior might constitute an act of plagiarism, they should seek clarification from the course instructor.

§ a450 Make-up Exams

If a student is unable to take a final exam for one of the reasons specified, they may be allowed to take make-up exam by submitting an "Application for Make-up Exams". This application must be submitted during the given period, and the student will need to obtain permission and pay a make-up exam fee.

No application for make-up examination for courses that held in-class exams (other than Final Exams period) is accepted.

§ a451 Legitimate reasons for applying for make-up exams

Legitimate reasons include illness, bereavement involving someone with a third degree of kinship, disasters, delay in public transport service, and appointment to lay judge service. The application for Make-up Exams must be accompanied by the following supporting documents to prove that the student was unable to come on the day of the final exam(s). The application procedure must be completed within the specified period.

§ a452 Supporting documents and procedures

When applying for a make-up exam, bring the necessary supporting document (see below) and a print-out of the Loyola final exam inquiry screen.

1. Illness	Medical certificate or permission to return to school issued by a physician *Payment receipts from a clinic are not acceptable.
------------	--

The medical certificate must state all of the following:

- a) The name of the illness and a statement by the physician attesting that the student was not in a condition to take an exam on the day of the exam.
- b) A statement attesting that the student was unable to come to the exam because of a scheduled consultation or because the student was undergoing treatment.

If the student had to be absent over several days, the medical certificate must clearly show that these days include the consultation day or the treatment period.

If the medical certificate does not state both a) and b), it will be deemed incomplete and the student will not be able to apply for a make-up exam.

*In case of an infectious disease, application for the make-up exam(s) must also be filed during the designated application period for the make-up exams. If a student is unable to come to campus due to the infectious disease, he/she should contact the Center for Academic Affairs by phone before the end of the application period.

2. Bereavement involving a third degree of kinship	Funeral service card/thank you card, etc. addressed to funeral guests
--	---

The cards must show the date of the exam the student was unable to take.

※ Travel days will not be applicable to make-up exams.

3. Delay in public transport service	Delay certificates issued by the public transport service (indicating the date and the delayed time); a delay certificate printed out from the Internet is also acceptable.
--------------------------------------	---

If the delay in public transport service was 20 minutes or more and a student arrived at the exam more than 20 minutes past the scheduled starting time, he/she may apply for a make-up exam. However, the application must be filed on the very day of the delay in public transport service.

Note: An application for make-up exams due to the transportation delay will not be accepted on the day following the exam day or later.

NB:

*If a student is unable to come to the university on the day of the delay for unavoidable reasons such as a shutdown of public transportation services or a long-distance commute, a “tentative application” must be made by telephone to the Center for Academic Affairs before 17:00 on the day of the delay (for exams held in the 5-6th class periods, before the end of the exam time). If the student fails to file the “tentative application” during the above period, or if a proper application is not made following the “tentative application” during the specified period, he/she will not be allowed to apply for a make-up exam whatever the reasons may be.

*The delay will be accepted only on a student’s normal commuting route between his/her home and the university. The Center for Academic Affairs will check the address given on the “enrollment sticker” on the back of the Student ID Card before accepting the application for the make-up exam.

*The delay certificate must show a delay longer than the actual length of the student’s delay (e.g. the delay certificate must prove a delay of more than 30 minutes). Application for make-up exam will not be accepted if the student did not make an effort to arrive on time for the exam.

*A proxy application submitted by someone other than the student himself/herself will not be accepted for reasons of delay in public transport service.

If a student arrives late for the exam because of a delay in public transportation service, the student should take one of the following steps depending on the length of the delay:

(1) If a student arrives within 20 minutes of the scheduled exam starting time, he/she is allowed to take the exam. In such cases, the student should go directly to the classroom and take the exam.

(2) If a student arrives more than 20 minutes after the starting of the scheduled exam, he/she should immediately bring the delay certificate to Center for Academic Affairs (Academic Services) on the 1st floor of Bldg. No.2., have the arrival time checked, submit the delay certificate and then apply for a make-up exam.

If the student is not sure where to go, he/she should go first to the exam room and follow the instructions of the exam supervisor.

If the reason for applying for make-up exam is a natural disaster, selection for lay judge service, or some other reason, please inquire at Center for Academic Affairs for more information on the application procedures.

§ a453 Make-up exam fee: 2,000 yen per course

§ a454 Make-up exam schedule

Schedule will be announced on the Loyola Web Service Bulletin Board for the Center for Academic Affairs (Academic Services).

§ a500 GRADES

§ a510 Grading

A student's work is graded according to the following table:

Grade	Scale		Quality Point Index
A	100-90	Excellent	4.0
B	89-80	Good	3.0
C	79-70	Satisfactory	2.0
D	69-60	Passing	1.0
W		Withdrawal	
F		Failure	

The following "Grading Guideline" has been implemented by the university from the academic year 2015. The grades should be determined according to this guideline.

【The Grading Guideline】

An "A" should be given to approximately 20% and no more than 30% of the registered students. This policy, however, does not apply to seminars, guidance courses, and lecture courses with less than 30 registered students.

Although each course should be graded according to the evaluation criteria indicated in the course syllabus, professors should apply a grading curve to limit the number of A's to no more than 30% of the students in the course. As a result, when more than 30% of the students receive a raw score of 90 points (out of 100), those students outside the top 30% would receive a lower grade for the course.

§ a520 Grade Point Average (GPA)

Each grade is assigned a weight called the quality point index (QPI: e.g., A=4.0, etc.). The QPI multiplied by the number of credits for the course determines the quality points (QP) for that course. The sum of all the quality points divided by the total number of credits attempted (including the credits of a course for which an "F" is assigned) gives the grade point average (GPA).

N.B.

Grades received for courses offered by other faculties and programs will also be calculated into the student's grade point average.

§ a530 Grade Review

Students must confirm their grades via Loyola at the end of the semester. If a student believes there has been a mistake in the grades, he/she may submit a request for grade review to the Center for Academic Affairs within office hours. Note that the purpose of this procedure is to confirm the accuracy of the grade recorded, not to petition for changing a grade. Final authority regarding grades rests with the instructor. No requests for grade review can be accepted after the deadline for submitting such requests.

Deadline for Grade Review:

2016 Spring courses: September 20 (Tue), 2016

For Seniors and graduating students: August 26 (Fri)-August 29 (Mon), 2016

2016 Autumn courses: March 31 (Fri), 2017

For Seniors and graduating students: February 24(Fri)-February 28(Tue), 2017

§ a540 Repetition of a Course

Unless otherwise specified, a student may not repeat for credit a course in which he/she has received a passing grade. If a student repeats the same course, the previous record will not be deleted from the transcript. This applies as well to courses being offered under a new name or number (see § b320, Change in Course Number and/or Title).

§ a550 Honors

The Dean's List is published each semester. To qualify, a student must be a degree student and have a semester average of 3.5 or better out of a possible 4.0, and must have completed at least 16 credits during the semester concerned.

§ a560 Class Attendance at Classes

Students are expected to attend all classes except in cases of illness (See § a980 "Infectious diseases") or urgent necessity, for which written proof must be submitted to each instructor. Regardless of the excuse, absences do not exempt a student from quizzes, tests, examinations, or other written work required during the period of absence. The responsibility for making up such work rests wholly upon the student. A failing grade for missed or unsubmitted work will be assigned if the student does not fulfill his/her obligations within the time set by the instructor.

Look carefully at what is written on your syllabus about class attendance.

§ a600 CHANGE IN STUDENT STATUS

§ a610 Leave of Absence

A student who wishes to take a leave of absence must consult the Department Chairperson and submit a completed “Request for Leave of Absence” form (休学願). If the reason is illness, the form must be accompanied by a doctor’s certificate (診断書).

The period of leave of absence is not counted in the residence requirement and graduation will be delayed for the duration of the absence. A student who is taking a leave of absence cannot graduate in that term.

§ a611 Period of Leave of Absence

A leave of absence may be requested semester by semester. A leave of absence may not extend over two sequential years or a total of 4 years (Article 32 University Regulations).

§ a612 Deadline to Submit Request

	Period of Leave of Absence	Deadline to submit request
Spring Semester	April 1 – September 20, 2016	May 31 (Tue), 2016
Autumn Semester	September 21, 2016 – March 31, 2017	November 30 (Wed), 2016

A student who intends to take a planned leave of absence must submit the “Request for Leave of Absence” at least one month prior to the beginning of the semester of the planned absence.

Any request submitted after the deadline will not be accepted for any reason. If the request is sent by postal mail, it must be postmarked on or before the deadline date. The request for leave of absence may be submitted for two consecutive years of absence.

§ a613 Tuition and Fees during Leave of Absence

There will be a reduction of the tuition and fees during a leave of absence. For more details, inquire at the Academic Records Section: Tuition and Fees, the Center for Academic Affairs.

§ a614 For Foreign Students with College Student Status of Residence

Students with a “College Student” Status of Residence who take a leave of absence may lose their status of residence in Japan. For details, please consult with the Academic Records Section.

§ a615 Resuming Studies

When the period for a leave of absence is over, student status returns automatically, so there is no need to submit an "Intent to Resume Studies" form (復学届). However, in the following cases, it is necessary to submit the "Intent to Resume Studies" form before the beginning of the semester.

- 1) Leave of absence due to illness (attach doctor's certificate)
- 2) A student wishes to return to studies earlier than scheduled: that is, when permission for the leave was obtained for 2 or more semesters but the student wishes to shorten the period of absence because the reason for taking the leave no longer exists (the period may not be shortened to less than one semester).

§ a620 Suspension from University

A student who commits violations such as misconduct in examination shall be given severe penalties including suspension or withdrawal from university according to Article 60 of University Regulations. The period of suspension is not counted in the residence requirement and such student will not be able to graduate from university in four years, the normal residence requirement. Student will be able to return to university studies on the day following when the indefinite suspension is lifted or when the term of the definite suspension expires.

§ a630 Withdrawal and Dismissal

There are two types of withdrawal from university: voluntary withdrawal and dismissal.

§ a631 Date of Withdrawal

Date of withdrawal is the last day of the semester (September 20 or March 31).

§ a632 Voluntary Withdrawal

A student wishing to withdraw from university for certain reasons must consult the Department Chairperson, complete the "Request for Withdrawal from the University"(退学願) and submit the request to the Academic Records Section with the Student ID Card before the desired date of withdrawal.

§ a633 Dismissal from the University

The following students shall be dismissed from the university:

1) Expiry of Period of Enrollment

Students whose period of enrollment (excluding leave of absence period) exceeds 8 years.

2) Students to whom Article 40 of the University Regulations applies

Article 40: "Students who fail to obtain 32 credits or more including subjects specified by undergraduate departments in two consecutive academic years".

For the students of the Faculty of Liberal Arts, "two consecutive academic years" refers to four consecutive semesters excluding the period(s) of leave of absence.

For re-admitted students and second degree students, only the number of enrollment years and credits obtained after they re-entered or were admitted as second degree students will be calculated.

For transfer students, the number of enrollment years and transfer credits which were

approved at transfer admission will be included in the calculation.

If a study abroad period exceeds one year, the period exceeding a year will be deemed a period of leave of absence.

Credits obtained during study abroad approved within the consecutive two years will be included in the calculation.

3) Failure to pay Tuition Fees

Students who fail to pay the tuition and fees before the set deadline.

4) Other Reasons

Students to whom Articles 60 and 61 of University Regulations apply.

N.B. Preferential Measures

Upon deliberation by the faculty meeting and with an approval of the President, a student who is in the third year or above, and who has taken less than 32 credits in four consecutive semesters excluding the period(s) of leave of absence, may be exempted from dismissal from the University by Article 40, if the total number of credits earned divided by the number of semesters of enrollment is more than 8 credits.

§ a640 Change of Faculty/Department

Students who wish to change to a department of another faculty and who satisfy the following requirements may do so by submitting a request. After submitting the request, the student will take an exam given by the department.

Eligibility

- 1) The student has completed or is expected to complete at least four semesters of study at the time of the requested change (period of leave of absence is not included).
- 2) The student has a 2.6 GPA or higher for credits obtained in Language Courses (only Compulsory courses) and General Studies(全学共通).(Only General Studies for students who entered before 2014)
- 3) The student satisfies all requirements set by the department he/she wishes to change to.
- 4) There is adequate reason for the change.

Note: Transfer of Faculty / Department is limited to one time.

Transfer students and Re-admitted students cannot apply.

Application to transfer to the Faculty of Global Studies is not possible.

§ a650 Re-admission

A degree student who has withdrawn or been dismissed from the university may re-enter the University upon approval of his/her application. However, if a re-admitted student withdraws or is dismissed a second time, or if the student was dismissed because his/her length of residence had reached the limit of eight years, he/she will not be allowed to apply for re-admission. Further information is available at the Academic Records Section.

§ a660 Admission for a Second Degree

Graduates of Sophia may apply to enter another faculty or department. Further information is available at the Academic Records Section.

§ a700 STUDY ABROAD PROGRAM

§ a710 Exchange Program: Students participating in this program are regarded as simultaneously enrolled at Sophia and a foreign institution. Degree students who wish to study at an exchange partner institution are permitted to do so only if the Department Chair or Area Coordinator determines that such a choice would be educationally beneficial for the student. Internal screening will be conducted at Sophia approximately one year before the beginning of the exchange period. The students must first pass the internal selection process to be nominated to the exchange program. Students studying abroad at a school with which Sophia has a formal exchange agreement receive reciprocal treatment regarding credits and school expenses. For details, see “Handbook for Study Abroad” issued by the Center for Global Discovery.

§ a711 General Study Abroad Program: Students who plan to study abroad on their own and wish to transfer the credits back to Sophia must apply in advance to the General Study Abroad Program. Credit transfer arrangements are the same as for Exchange Program students, but students must apply independently to an approved institution and arrange their own accommodation. Also, in contrast to the Exchange Program, students participating in the General Study Abroad Program must pay tuition and fees both to Sophia and the overseas institution. For details, see “Handbook for Study Abroad.”

* For both the Exchange Program and the General Study Abroad Program, students may study abroad for one year or one semester without taking a leave of absence.

§ a712 Short-term Language Programs: Sophia sends students to several language programs at designated overseas universities during the summer and spring vacations. By participating in these programs and successfully completing the courses, students will be able to earn language credits that can be used for fulfilling Sophia's graduation requirements.

§ a713 Short-term Study Abroad Programs: Sophia sends students to several intensive programs on specialized subjects at designated overseas institutions during the summer and spring vacations. By participating in one of these programs and successfully completing the courses, students earn credits that can be transferred, with the approval of their department, as specialized education or general studies credits.

§ a714 Social Engagement Programs

Sophia sends students to several hands-on learning programs that include fieldwork and service learning during the semester or summer and spring vacations. By participating in one of these programs and successfully completing the courses, students earn credits that can be used for fulfilling Sophia's graduation requirements.

§ a750 CERTIFICATION PROGRAMS

Pending completion of the required course work, FLA degree students may obtain certification in the following areas:

- Teacher Certification (教職課程/Kyōshoku katei)
- Curator Certification (学芸員課程/Gakugei-in katei)

These programs are taught only in Japanese.

Students interested in these programs should attend the special guidance meeting held by the Center for Teaching and Curator Credentials (Notices will be posted on the bulletin board for Certification Programs). Information may be obtained at the center for Teaching and Curator Credentials.

Credits in courses with course numbers (科目コード/Kamoku kōdo) starting with 62 taken by FLA degree students in the programs for Teacher Certification and Curator Certification may not be counted as fulfilling the credits required for graduation.

The tuition for the courses starting with 62 will be waived.

§ a900 ANNOUNCEMENTS FROM UNIVERSITY OFFICES

§ a910 Bulletin Boards

Notices concerning classes (cancelled classes, make-up classes, change of classrooms, and exam schedules) and announcements for individual students, including urgent matters, will be posted on the Loyola Web Service bulletin board. Some notices may also be posted on university bulletin boards (see § d300, Yotsuya Campus Bulletin Boards in Building No.2 1F for the location of the bulletin boards). All students are strongly advised to check the Loyola and university bulletin boards regularly.

§ a920 How to contact your teachers

The class teachers are either full-time faculty of Sophia or part-time lecturers from other universities coming to teach the particular course. If a student wishes to contact his/her teachers, the following are the ways depending on whether they are full-time or part-time:

1. Full-time faculty:

Full time faculties have offices on campus and individual office hours for student appointments. If you need to make an appointment outside of office hours, contact your Department office for instructions.

Also, there is a class advisor for each undergraduate class or seminar. The students may seek advice on studies, course enrollment, career options and any difficulties in student life.

- List of teachers' offices and their office hours : Academic Handbook 履修要覧/Bulletin of Information
- Department offices : 履修要覧(listed first on pages of each Department)
- List of class advisors of Departments : Academic Handbook 履修要覧/Bulletin of Information

2. Part-time lecturers / Adjunct professors

Part-time lecturers / Adjunct professors do not have offices on campus; contact them before or after classes. Some teachers may release their personal e-mail addresses to students.

Information on whether or not a teacher releases contact address, and if so, the address itself, are available at the Center for Academic Affairs (Academic Services). Students should bring Student ID Card and inquire in person.

For protection of personal information, office does not accept telephone inquiries.

The Center for Academic Affairs does not relay messages from students to their teachers.

3. If you do not know whether the teacher you wish to contact is full-time or part-time teacher:

Please check the list of courses with names of class teachers (Academic Handbook 履修要覧) to see whether the teacher is full-time / part-time.

§ b012 Pedagogical Philosophy

The Faculty of Liberal Arts [FLA] provides an all-English liberal arts education in the fields of Comparative Culture, Social Studies, and International Business and Economics. While offering courses in such fields as well as cross-disciplinary courses, so as to allow a more organic, comprehensive understanding in the field, the FLA also aims to help students to achieve advanced language proficiency and intellectual criticality and flexibility in order to act as mediators between different cultures and countries. Through academic training and research, the FLA contributes to the understanding of current affairs in today's globalized world and also to the solving of the various social issues we face.

§ b013 Educational Purpose

The purpose of the FLA education is to nurture students' cosmopolitan outlook, their language ability, and flexibility in thinking in order to act as bridges between different cultures within the context of globalization.

§ b014 Curriculum Policy

While the FLA offers an all-English curriculum, guiding students to develop advanced communication skills in English, it also requires students to study a second language. Students who lack sufficient Japanese language ability are strongly encouraged to take Japanese as their second language.

In the Core Program, students are trained intensively to develop the ability to read and analyze texts, to present and discuss ideas in public, to write effectively in English, and to think logically and critically in an academic setting.

Toward the end of the sophomore year, students must choose one major among three areas: Comparative Culture, International Business and Economics, and Social Studies. Students are also encouraged to widen their academic scope and improve intellectual flexibility by taking courses from neighboring areas, while strengthening their knowledge in their major. By interacting with professors and students of various cultural backgrounds, FLA students learn to examine alternative perspectives and equip themselves with the communicative skills necessary to navigate and contribute productively to multicultural environments.

§ b015 Diploma Policy

A bachelor's degree is awarded to students who earn the required number of credits, which includes credits in required general studies courses and courses in the student's chosen major. Students are expected to acquire what the faculty calls "global competency," the goal of which is the capability of working in international environments while adhering to the university's principle of "men and women for others, with others." This global competency is dependent on the following three fundamental skills:

1. Advanced English language skill and fluency in other language(s).
2. Highly-developed communication skills in multicultural environments.
3. Intellectual ability to combine specialized knowledge with a broader vision in order to examine various solutions for a wide range of problems.

Note: The English translation is provided for information, and the Japanese version remains the sole official version. If there is any discrepancy between the two versions, the Japanese original should take precedence.

§ b150 FLA MAJOR COURSES

§ b151 COMPARATIVE CULTURE

The Comparative Culture major emphasizes interdisciplinary approaches to knowledge within three fields: art history/visual culture (ART), literature (LIT), and religion/philosophy (RPH). Students take 48 credits in the major distributed among a primary field and secondary field. The primary field consists of 28 credits in one of the above three fields. The secondary field consists of 20 credits taken in another field.

COMPARATIVE CULTURE FIELDS

ART HISTORY/VISUAL CULTURE (ART)

The field of art history and visual culture focuses on the acquisition of visual literacy across different media, from fine arts such as painting and sculpture to more contemporary media such as film and digital works, as well as ephemeral images including prints and propaganda. Art offers a rich source of knowledge concerning the human condition, providing visual records of human emotions, thought, ideals, and aspirations, as well as evidence of the social and political conditions under which people have lived, past and present.

LITERATURE (LIT)

The field of literature offers courses in the literature of Japan, China, Britain, the United States, and continental Europe. Comparative study of the diverse literary expressions of these countries and cultures will deepen student's appreciation of the vastness of the human imagination while training them in close textual analysis, critical theory, and cultural discourse.

RELIGION/PHILOSOPHY (RPH)

The field of comparative studies in religion/philosophy is centered on understanding the ways in which people of various historical periods and cultures have conceived, imagined, and lived out their lives in the world. Courses focus on understanding the philosophical and religious orientations of human communities as expressed in systems of thought, texts, the arts, rituals, and ethical practices.

§ d200 General Information and Office Directory

§ d210 International Students Coming to Japan

1. Status of Residence

Students who do not hold Japanese citizenship must have as their status of residence "college student" or other appropriate status such as "permanent resident", "long term resident", or "dependent". A temporary visitor visa is not acceptable.

To qualify for status as a "college student", students are required to register for at least 4 regular courses (i.e., at least 10 hours of class time per week).

2. Extension of Period of Stay as “College Student” / Change of Status of Residence to “College Student”

For procedures on extending the period of stay or changing the status of residence, please refer to the “Sophians’ Guide 2016”. Please note that among the documents submitted to the Immigration Bureau, there are forms that must be filled out by the Center for Academic Affairs, which take about 4 days to be issued.

After your application is approved:

1. Register the changes in your status of residence at the residential municipal office within 14 days.
2. Submit a photocopy of the updated "Resident Card" to the Center for Academic Affairs, Academic Records Section as soon as possible.

※ Various disadvantages regarding school life, such as Loyola access being stopped or non-receipt of scholarships, may occur until the necessary documents are submitted.

§ d220 Lost and Found

A lost-and-found service is provided at the Office of Property (Bldg. No.2, 1F). If a student loses or finds an article, it should be reported to this office.

§ d230 Parking Facilities

The University has no parking facilities for students on campus. Students are advised not to drive any vehicle to the university. Tokyo municipal law strictly prohibits the parking of cars, motorcycles or bicycles on public streets around the campus.

§ d240 Scholarships and Financial Aid Programs

University scholarship, as well as many scholarships offered by public or private institutions are available for Japanese and international students. Detailed information is given on the university website and the online bulletin board of the Center for Student Affairs on Loyola.

§ d250 Health and Insurance

-National Health Insurance System

International students who will stay in Japan for more than three months are required to join this insurance system. The procedures are carried out at the student's local ward/city office.

-Personal Accident Insurance for Students Pursuing Education and Research

All degree students and exchange students must be affiliated with this insurance plan. This plan covers physical injuries a student suffers during prescribed educational and research activities at the university and during commuting to school and in transit between school facilities.

Additional information can be found in the “Sophians’ Guide 2016”.

§ d260 Medical Check-up

All new degree students must have a medical check-up at the beginning of their first semester followed by check-ups every year in April. The dates and place for the medical check-up will be announced on the Loyola Web Service bulletin board.
