

II. GENERAL INFORMATION

The Academic Year

The Faculty of Comparative Culture and the Faculty of Liberal Arts follow the same calendar as the other faculties of the university. There are two semesters, beginning in April and September. Each semester consists of 15 weeks of classes, including final examinations. To ensure that each course is held a sufficient number of hours to fulfill the regulations set by the MEXT, make-up class days for days of the week with many holidays may be scheduled at the end of the term prior to the examination period. For the Academic Year 2010, the following “virtual Monday” has been scheduled:

Virtual Monday

Autumn 2010: January 12 (Wed.) 2011

Loyola Web Service

The Loyola web service for teachers and students enables students to:

- Register and withdraw from courses (there are some exceptions)
- Check their registration status and grades
- Check information concerning cancelled classes, make-up classes, or notices on the web bulletin board through PCs and mobile phones
- Check progress toward fulfillment of graduation requirements using the self-evaluation system

Please refer to the “Loyola Handbook” (available at the Center for Academic Affairs) for detailed explanations on how to use Loyola.

Categories of Students

1. Degree Students

Degree students are those who intend to graduate from Sophia. Freshmen degree students are admitted in both spring and autumn semesters. Transfer applicants are also considered for admission each semester.

2. Non-Degree Students

Non-degree students are those who enroll for one year to take courses and obtain credits but do not intend to earn an academic degree from Sophia. This status is applicable only to international students who enroll as full-time

students (see p. 26). Non-degree students may be accepted for entrance in both the spring and autumn semesters.

3. **Non-Matriculated (*Jiyū rishū* 科目等履修生自由履修コース) Students**

Non-matriculated (*jiyū rishū*) students are persons of any nationality who wish to take one or more courses of their choice, up to 30 credits in one year, but do not intend to earn a degree from Sophia. Applications are accepted in late March for the spring semester and in early September for the autumn semester.

International Students Coming to Japan

Visa Status

Students coming from abroad to study at Sophia must have a college student visa or other appropriate visa such as a diplomatic, official, or dependent visa. A temporary visitor visa is not acceptable.

To qualify for a college student visa, students are required to register for at least 4 regular courses (i.e., at least 10 hours of class time per week).

Application Procedure

To obtain a college student visa, the student or his/her representative must apply for a Certificate of Eligibility at the Immigration Bureau of the Japanese Ministry of Justice. The necessary documents are as follows:

1. Application for the Certificate of Eligibility (prescribed Immigration Bureau form).
2. One photograph (4cm x 3cm) for the application form for the Certificate of Eligibility.
3. Letter of Admission. This letter will be issued after the student has paid the fees due prior to university entrance (*Nyūgaku-tetsuzuki-kin*, see p. 28) and submitted the required documents.

If a student resides outside Japan, a representative residing in Japan may apply for a Certificate of Eligibility on the student's behalf. The student should submit the above-listed documents to such a representative, who may be one of the following:

- a. A relative of the student
- b. A person who will be paying the tuition fees or living expenses incurred by the student

- c. An employee of the organization that offers a scholarship to the student or will be paying the tuition fees or living expenses incurred by the student
- d. An employee of Sophia University

Those who select option d. should submit documents 1 and 2 above to the Admissions Office after paying the fees due prior to University entrance (*Nyūgaku-tetsuzuki-kin*) with the other required documents. It will take at least one month to obtain the Certificate of Eligibility.

It is also possible for a student residing outside Japan to apply through a Japanese embassy or consulate abroad for a college student visa. However, it will take two to three months for the visa to be issued.

Students who are already residing in Japan on some other type of visa should inquire at the regional Immigration Bureau.

Extending a College Student Visa

After applying for an extension of period of stay, or applying for permission to change Status of Residence, it is essential to submit your newest “Certificate on Registered Matters” (登録原票記載事項証明書 *Tourokugenpyo-kisajjikou-shoumeisho*) or photocopies of both sides of your “Certificate of Alien Registration” to the Center for Academic Affairs, Academic Records Section. Please note that various disadvantages regarding school life, such as Loyola access being stopped or non-receipt of Scholarships may occur until it is confirmed that you have submitted either of the above documents.

Further, as of September 1, 2009, changes and additions have been made to the documents to be submitted to the Immigration Bureau for the “Application for change of status of residence” and the “Application for extension of period of stay.” The new forms include documents which must be filled out by the Center for Academic Affairs. Please refer to “The Handbook for International Students 2010” (available at the Overseas Liaison Center). If you have any questions, please contact the Center for Academic Affairs, Academic Records Section.

Guarantor

Sophia University requires each student to have a guarantor in Japan. If a student cannot find a guarantor, s/he should ask the Admissions Office for further instructions.

Financial Aid Programs

1. University Scholarship Programs

The following types of scholarship are awarded to degree students on the basis of financial need and academic standing.

New Students Scholarship

Scholarships for new students are awarded to entering degree students each semester, on the basis of a screening of documents submitted at the same time as the application for admission.

Sophia Type I Scholarship

An honors grant is available to undergraduate sophomores, juniors, and seniors who show high academic performance. Grantees are decided upon recommendation from the dean of each faculty.

Sophia Type II Scholarship

This scholarship is offered to degree students in good standing (graduate and undergraduate), who are experiencing financial problems that make it difficult for them to continue their studies. The grant varies from one-third to the full amount of tuition fees. Applications are accepted after entrance to the university. The notice for date of orientation, application period, etc. will be posted on the web bulletin board on Loyola. Tuition-fee-waiving arrangements for privately-funded degree students who have "College Student" visa status are included in this scholarship.

Sophia Type III Scholarship

Scholarships funded by voluntary contributions from inside Japan or from abroad. For some Type III scholarships the student must apply for consideration; for others the award is made on the basis of the recommendation of the dean of the faculty in which the student is enrolled. Decisions on such scholarships are made after entrance to the university.

2. JASSO Scholarship Loan Programs

(Nihon Gakusei - Shien - Kikō Scholarship)

This is a loan scholarship program for Japanese nationals administered by Japan Student Services Organization (JASSO). The recipient has the responsibility of returning the loan after graduation. Applications are accepted after the student enters the university.

3. Scholarships Offered by Public or Private Institutions

More than 100 scholarships are available. Of these, 60 are reserved for international students who hold a college student visa status. Applications for most are accepted through the university after entrance. The number of recipients is usually very limited, and most organizations will consider only degree students.
