Qualifications for taking courses offered in Japanese by other faculties and programs

To register for courses offered in Japanese by other faculties and programs, a student must be a “graduate of a Japanese high school” or have demonstrated sufficient proficiency in Japanese by receiving a qualifying score on the Japanese Placement Test or passing JPN 343, Reading and Writing 3.

Certificate Programs

Together with completing the requirements for a Bachelor of Arts degree, students may obtain a Certificate in Japanese Studies or Japanese Language Pedagogy. For details, see pp.397–398 for the Certificate in Japanese Studies, and pp. 398–399 for the Certificate in Japanese Language Pedagogy.

LANGUAGES

Students must complete 8 credits in one single language chosen from among the languages offered in the university's language program:

- Chinese, French, Japanese, Spanish (offered by FLA)
- Arabic, German, Indonesian, Italian, Korean, Latin, Portuguese, Russian, Tagalog (offered by other faculties or the General Foreign Language Program (一般外国語教育センター))

N.B.

1. Students are encouraged to select a language that they have not previously studied. A student who chooses a language he or she has studied previously and is placed at an advanced level may encounter difficulties in completing the required 8 credits in one language.
2. The language required for non-native speakers of Japanese is Japanese unless they demonstrate sufficient proficiency on the Japanese Placement Test. Citizenship is not a consideration in determining whether a student is a native or non-native speaker; students who are uncertain whether they are a native or non-native speaker should consult one of the Japanese language teachers.
3. Students who are assigned to Japanese language track 3 (Japanese Reading and Writing Courses) (see p.68 of the Bulletin of Information for 2011-2012) on the basis of the Japanese placement test and want to choose Japanese to fulfill their language requirements must obtain approval from the coordinator of the Japanese Language Program. For procedure, please consult with the FLA Office.
4. Language courses must be taken in the correct sequence. Credit will not be given for a language course of a level lower than one taken previously.
5. Students who wish to continue study of a language other than Japanese beyond the required 8 credits may include additional credits in their SE Electives as specified below:
 - a. Up to 4 credits of advanced courses in the same language selected to fulfill the language requirement may be included in the student's SE Electives.
 - b. Up to 8 credits in a second language may be included as SE Electives.
 - c. Apart from Japanese, the credits for a third language cannot be counted for graduation.
6. Students who entered in 2011, whether native or non-native speakers, may include up to a total of 30 credits in Japanese as SE Electives.
For those who entered before 2011, 28 credits in Japanese may be counted as SE Electives.
7. In principle, no withdrawals are allowed for language classes offered by other faculties and programs. If a student withdraws from such a class, he/she may not subsequently choose that language to fulfill the language requirement.

HEALTH AND PHYSICAL EDUCATION

"Wellness, the Body and Culture" (ウエルネスと身体), 2 credits, is compulsory for all students. In principle, this course should be taken in the semester the student enters the university. The course will be offered in Japanese and English every semester. A special course for handicapped students will also be offered every Autumn Semester (see the "Course Schedule and Other Announcements"). No withdrawals are allowed for PE courses. See also 要覧共通編 pp.52-55.

STUDIES IN CHRISTIAN HUMANISM

Two courses in the category “Studies in Christian Humanism” (キリスト教人間学) for total of 4 credits are compulsory for all students who are enrolled in the Faculty of Liberal Arts. Normally, students must take one course in their first semester and another the second semester.

Philosophy of the Human Person*	2 cr
Origins and Developments of Human Dignity*	2 cr
Philosophy of Human Rights and Human Dignity**	2 cr
Philosophy of Human Violence**	2 cr
Philosophy of Love**	2 cr

*offered in the spring semester

**offered in the autumn semester

Please note that places in these courses will be chosen by lottery so students should register for these courses during the **pre-registration period**. For details, see the “Course Schedule and Other Announcements”, for Spring and Autumn Semester 2011”.

For students who entered before 2010 and have not yet taken Philosophical Anthropology 1 and 2:

Philosophical Anthropology 1 and 2 are no longer offered. The students who have not yet taken or have failed them must take a total of two courses from the above list, but can take only one Christian humanism course in a semester.

INFORMATION LITERACY (for students who entered before 2011)

“Information Literacy” (情報リテラシー), 2 credits, is compulsory for students who entered before 2011. For students who have not yet taken Information Literacy, it will be offered in spring and autumn of 2011. There will be one section in English and several sections in Japanese.

Students should register during the pre-registration period. No withdrawals are allowed for this course. For details, see the Course Schedule and Other Announcement.

GS DISTRIBUTION AND ELECTIVE COURSES

The courses offered by the Faculty of Liberal Arts as part of the General Studies program provide an introduction to major themes and approaches to study in various key areas of human knowledge. Students must take one course from each of the three categories of GS Distribution Courses (The Legacy of the Past, Cultural Traditions, and The Contemporary World) for a total of 12 credits. In addition to the 12 credits of GS Distribution Courses, students must take a further 4 credits as GS Electives. These 4 credits may be chosen from (a) any of the three categories of GS Distribution Courses, (b) FLA General Studies Elective Courses, or (c) any courses listed in the university-wide General Studies Program as Zengaku Kyōtsū Kamoku (全学共通科目).

Some courses are listed under both General Studies and Specialized Education categories and may be chosen to fulfill requirements in either category. However, the same course may not be used to fulfill requirements in both categories simultaneously.

The Social Studies Major provides students with historical, comparative, and theoretical insights into the processes that constitute civilizations and social orders. Courses consider how particular societies and cultures have changed over time, patterns of similarity and difference across events and places, and how these patterns and processes have been interpreted and depicted in popular and scholarly imagination.

The Social Studies Major has three fields: anthropology–sociology, history, and political science. Students take 48 credits in the major with 36 being in the primary field and 12 in the secondary field of a student’s choosing. The distribution of compulsory courses varies among the different fields.
